Post-Presentation Comments....

- *Jason did a great job. I heard lots of good feedback on his presentation. Thanks for partnering with TFMA. Hopefully we can work together again in the future! – Scott Hubley, Freese & Nichols, Inc.*
- *We enjoyed it very much! Thank you for all of your help after the presentation, too. I know that was not part of the deal and I appreciate you taking time out of your schedule. I hope your visit was as enjoyable as ours. – Adrian Gallardo, Rankin ISD*
- *I have heard nothing but positive feedback from everyone. The teachers, the principal, the students, and parents all were excited and loved the presentation. I am so glad that I saw your post on Facebook. Scheduling with you was very easy and convenient. It was having to arrange everyone's schedule on my end that took forever! I think Jason did an awesome job and kept the interest of everyone. I really liked the difference of the warnings and watches, what to do in an emergency, and having emergency kits. Of course, the kids loved all the videos and pictures. So he did a great job of mixing the two parts. - Lindsey Evans, Silver Lake Elementary PTA*
- *I am so happy that you and the team were able to come out on Saturday! We had so much fun, and the residents absolutely loved having you all there. I'm so glad that you had conversations with some. Thank you all so much for taking the time in your Saturday to come out here! – Becca Schilder, Mustang Lakes Owner Association*
- *The presentation on Friday was fantastic! Jason did a great job of explaining the various severe weathers in a way that the audience was able to understand. He kept everybody engaged in the presentation by providing short video clips and examples throughout the presentation. Everybody I spoke to had nothing but good things to say about the information and presentation. I spoke with Jason afterwards to let him know that there were a lot of individuals that weren't able to attend but really wanted to. After seeing the presentation first hand, I hope to have you all back at a later date to accommodate to the high interest. - Sean Aucoin, City of Frisco*
- *We loved having The Texas Storm Chasers come to our library present their program! Making our reservation and getting the information needed for the event couldn't have been simpler. Chelsea was so prompt and patient in responding to all of my questions and in helping me prepare. Jason, our presenter, had the crowd engaged and was well informed. Thanks to both of you for your professional manner and informative presentation! – Rachel Ellsworth, Red River County Public Library*
